

ELEMIS FACIAL RITUALS

WHERE SPA MEETS SCIENCE MEETS SKIN

This pioneering British skincare brand harnesses the power of nature coupled with years of scientific research to ensure results within every therapy. Sublimely sensory and personally prescribed, allow our ELEMIS qualified therapists to offer you an experience that's exceptional.

ELEMIS SKIN SOLUTIONS

ELEMIS Superfood Pro Radiance £60 (60 mins)

A nutritional boost rich in superfoods and essential minerals designed to pack stressed, dull skin with energising, detoxifying actives. Clinically proven to leave skin plumper, radiant and lit up with good health.

ELEMIS Sensitive Skin Soother £57 (60 mins)

Fragile skin needs special attention. A soothing massage technique helps reduce the appearance of redness and protect against daily stresses. Skin is left supremely soothed, comfortable and calm.

ELEMIS Anti-Blemish Mattify and Calm £57 (60 mins)

A revelation for oily, congested or hormonal skin. Helping to combat oil and shine while an intuitive massage helps restore microcirculation. A deeply detoxifying treatment for a clear bright skin.

ELEMIS Touch £47 (45 mins)

This prescriptive facial delivers a condensed blast of expertise. An instant pick me up for those on the run.

ELEMIS ANTI-AGEING

ELEMIS Pro-Collagen Age Defy £67 (60 mins)

Tackle fine lines and wrinkles with the clinically proven age-defying benefits of marine charged Padina Pavonica and Red Coral. Targeted massage encourages optimum cellular function for nourished younger looking skin.

ELEMIS Pro Definition Lift and Contour £67 (60 mins)

Powered for breakthrough technology, this facial helps restore the architecture of the face using potent nutrients in plant actives found to help support the extra-cellular matrix. Creates a profoundly sculpted, youthful effect.

ELEMIS Dynamic Resurfacing Precision Peel £65 (60 mins)

Clinically proven to target the signs of ageing and uneven skin tone, this pioneering precision treatment uses layers of enzymes for powerful exfoliation and renewal. A new start for smoother, younger looking skin.

ELEMIS White Brightening Pigment Perfector £65 (60 mins)

Restores even skin tone, targeting unwanted areas of pigmentation. Encapsulated Vitamin C acts as a potent brightener; inhibiting future pigmentation. The result is a more even, colour-corrected, and illuminated complexion.

CACI SYNERGY

CACI Synergy offers the very latest in non-surgical micro-current technology.

This award winning, clinically proven, facial toning machine delivers visible long lasting corrective results while offering a prescriptive approach to anti-ageing.

CACI treatments have attracted an impressive celebrity following and are often described as the "Red Carpet Secret". With over 20 years of medical research, CACI have offered our clients the very best in facial contouring and have now advanced even further with Synergy.

By coupling CACI's non-surgical facelift with breakthrough SPED micro-current LED technology, we can enhance firming and toning results and provide a higher production of collagen, enabling us to offer you a very special facial with a difference.

Add to this the Synergy part of the treatment, crystal free microdermabrasion and ultrasonic peeling to exfoliate the skin to reveal an even brighter, smoother complexion.

CACI SYNERGY

CACI Synergy Radiance

The most advanced of all the CACI facial treatments, the CACI Synergy Radiance allows us to offer a non-surgical facial that is adapted to suit each individual skin concern. Breakthrough SPED micro-current LED light therapy, microdermabrasion, ultrasonic peeling and wrinkle comb technologies are used to enhance treatment results on even the most sensitive of skin types. A course of 10 is recommended followed by a monthly maintenance. A pre-treatment consultation is required prior to treatment.

1 hour 30 minutes £80

Course of 10 £680 (*a minimum of 2 per week*)

Maintenance course of 10 £720 (*1 per month*)

CACI Lift and Light

This is a much more advanced version of the original micro-current lifting coupled with SPED light therapy.

60 minutes £57

Course of 10 £530 (*1 per month*)

CACI Synergy Skin

This 45 minute treatment concentrates on skin concerns such as pigmentation, purifying, acne, blemishes and sensitivity but without the micro-current lifting. Both red and blue light therapy are combined with microdermabrasion and a hydrating face mask.

45 minutes £45

CACI SYNERGY

CACI Synergy Specialist

These specialised treatments offer a non-invasive alternative to collagen injections and dermal fillers. By targeting specific areas of concern we can plump, repair, rehydrate and revive the skin using the most innovative corrective technology.

20 - 30 minutes £30

Course of 5 £135

Add on £15

CACI Jowl Lift

The CACI Jowl Lift treatment has been specifically developed to redefine the muscles around the jawline and cheekbones. Specialised probes emit tiny electrical impulses to lift, firm and tone the contours of this problematic jowl area.

CACI Eye Revive

The CACI Eye Revive treatment uses micro-current coupled with SPED technology, specialised eye serums and a deeply nourishing eye mask to, smooth tired puffy eyes, combat dark circles reduce fine lines and wrinkles, lift hooded eyes.

CACI Wrinkle Revolution and Lip Plump

These treatments target deep lines and wrinkles such as laughter lines, nose to mouth lines and the lines around the lips. The non-invasive wrinkle comb offers a needle free alternative to collagen injections and dermal fillers, instantly plumping from the very first treatment.
